

HOW TO IDENTIFY A TERRORIST

USE THE "ORWELL" METHOD!

"O" - Opposition

Do your neighbors oppose the war on terror? They may be terrorists! Report them!

"R" - Religion

Are your neighbors non-Christians? Many terrorists are not Christians! Report them!

"W" - Words

Do your neighbors use code words such as "loss of freedom," "separation of church and state," or "that fucking Bush?" These are words used by terrorists! Report them!

"E" - Enthusiasm

Do your neighbors lack enthusiasm for the war on terrorism? They may be terrorists! Report them!

"L" - Library

Do your neighbors go to the library? Terrorists can find information in libraries! Report them!

"L" - Legislation

Do your neighbors oppose the USA Patriot Act? That's because they are terrorists! Report them!

WHEN YOU THINK OF THE US WAR ON TERRORISM, THINK "ORWELL!"

This poster was produced for the Office of Homeland Security (<http://www.securethehomeland.com/>) by Empty-Handed Enterprises (<http://www.empty-handed.com/>). All rights reserved, all wrongs reversed. If you read fine print, you're probably a terrorist. Report yourself.
